EDUCATION

Hang Seng University of Hong Kong (HSUHK) Hong Kong

BBA (Hons) in Financial Analysis and FinTech, Honours Academy Sept 2025 – Expected Aug 2029

- **GPA:** 3.89 / 4.00

EXPERIENCE

Business & Customer Experience Intern - YATA Limited (Sales & Operations Department, Customer Services Team) Hong Kong

Part-time Internship Sept 2026 – Present

- Conducting 30 store visits a month across YATA and selected competitors to assess operational and customer service performance, recording and reporting findings.
- Tracking performance trends over time and against competitors, identifying improvement opportunities and preparing analysis summaries for senior management.

Summer Intern - Bank of China (Hong Kong) (Bank-Wide Operation Department, Loans Division) Hong Kong

Summer Internship Jul – Aug 2026

- Authored an internal feasibility proposal assessing Agentic AI, LLM, VLM, and RPA across 17 loan operations use cases, with a scoring framework, prioritization ranking, and executive summary for senior review.
- Designed an automated document-verification workflow for returned execution letters, incorporating a risk register, false-pass rate analysis, and maker-checker control gates to preserve operational assurance.
- Supported user acceptance testing (UAT) for loan operations system enhancements and drafted internal communications in Traditional Chinese.

Design Assistant - Hang Seng University of Hong Kong (Office of Vice-President, Learning and Student Experience) Hong Kong

Part-time Feb – Mar 2026

- Engineered an AI-integrated design process to rapidly prototype web visuals for Academic and Career modules, reducing production lead times.
- Standardized the documentation of AI prompt logic and design system, ensuring 100% brand alignment and process traceability, mirroring explainable AI standard.
- Prototyped an OCR pipeline and managed the precise digitization of 300+ bilingual professional records into structured, audit-ready datasets, maintaining confidentiality and data accuracy.

PROJECTS & INITIATIVES

HSU Investment Club (HSUHK) Hong Kong

Member 2025 – Present

- Contribute to the club's student-run equity research programme covering Hong Kong and mainland listings.
- Produced a CFA-format equity research report on a Hong Kong Chapter 18C listing, covering use-of-proceeds analysis, peer comparables, and DCF valuation.
- Presented research findings and investment rationale to club members for peer review.
- Connecting with graduates in related fields through the club's mentor–mentee programme.

AlipayHK Advice UX Design Competition 2026 (Organised by AlipayHK & Seed Foundation) Hong Kong

Semi-Finalist Apr – Jun 2026

- Designed Ah Gaap, an AI-powered post-payment ledger feature concept for the AlipayHK Super App, advancing to the Top 16 Semi-Final round.
- Built a public-discourse research pipeline (multi-source web scraping across LIHKG, Reddit, and the HK App Store → BGE-M3 embeddings → UMAP + HDBSCAN clustering → cited LLM synthesis), deriving 2 evidence-anchored personas and user journey maps with every design claim traceable to a source post.
- Delivered an end-to-end product including 30+ Figma frames, an interactive 12-screen prototype, and two pitch decks, all built solo over a one-month sprint using Claude Code, Claude Design, Figma, and a self-deployed market-analysis web application.

School of Business AI Ambassadors Programme (HSUHK) Hong Kong

Vice Lead, AI Ambassador Team (First Cohort) May 2026 – Expected May 2027

- Selected for the first-ever cohort of the "#BE AI-Ready" initiative, joining a pioneering team cultivating an innovative Business + AI culture across the School.
- Driving campus-wide AI awareness by transforming advanced personal expertise (Cloud architecture, Generative AI, local LLMs) into accessible knowledge.
- Mapping AI use cases in each department of the School of Business, working with faculty and peers to bring AI into daily learning.
- Preparing the team for an upcoming nationwide hackathon, with a company visit and an overseas study tour in planning.

2025 Global Trading Challenge (Organised by Bloomberg) Hong Kong

Selected Participant representing HSUHK Oct – Nov 2025

- Selected to represent the university in a global-scale financial trading simulation against international teams.
- Applied financial analysis and risk management strategies to navigate volatile market scenarios in the Bloomberg Terminal.

ACHIEVEMENTS & AWARDS

"What is Corporate Governance?" Creative Video Contest 2026 (Co-organised by HKIoD & CGDF) Hong Kong

Champion Feb – Jun 2026

- Won the Champion title against university-wide entries with "The Blueprint of Tomorrow", a solo AI-animated short film distilling governance principles—risk management, ESG, disclosure, accountability—into an accessible narrative.
- Earned recognition from The Hong Kong Institute of Directors, the professional body representing Hong Kong's senior company directors.
- Architected a dual-narrative structure mapping each governance pillar to a tangible business consequence, blending analytical framing with creative execution.

2025 AI Video for Business Competition (Organised by Alibaba Cloud) Global

Winner (Third Place) Jan – Feb 2026

- Produced the award-winning AI video "From Cherry to Cup – Ai", ranking 3rd globally for breakthrough business storytelling and brand narrative.
- Leveraged Alibaba Cloud's Qwen 3.5 and Wan 2.5 GenAI models to synthesize visuals, demonstrating advanced prompt engineering and commercial viability.
- Achieved top-tier scoring from a panel of industry experts based on production quality, promotional usability, and high social media engagement.

NextGen Video Challenge: Powered by AI (Organised by School of Business, HSUHK) **& Academic Recognition** Hong Kong

Winner (First Runner-up in the Individual Category) with Dean's Recommendation Nov 2025

- Leveraged Generative AI tools to produce award-winning video content, recognized for integrating AI with digital media marketing strategies.
- Selected on merit to join the School of Business's study tour in Macao, Zhuhai, Guangzhou, Shenzhen, with all expenses covered.
- Recipient of a formal Recommendation Letter signed by the Dean of the School of Business, HSUHK, acknowledging outstanding potential and qualities.
